

DISTRICT OF NEVADA

Case No.: 2:19-cv-01871-APG-BNW

Order to Show Cause Why This Case Should Not Be Dismissed for Lack of Subject Matter Jurisdiction

Subject Matter Jurisdiction

C R BARD INCORPORATED and BARD
PERIPHERAL VASCULAR
INCORPORATED,

Defendants

The MDL Master Complaint asserts that jurisdiction in this court is based on diversity and that the unofficial southern division of this district is the proper venue. ECF No. 1.

However, the complaint does not contain facts regarding the parties' citizenship. It also does not allege that the amount in controversy exceeds \$75,000 or facts to support that that jurisdictional threshold is satisfied. Finally, the complaint does not contain sufficient facts to determine whether the case is properly filed in the unofficial northern or southern divisions of this court.

See LR IA 1-8(a).

I THEREFORE ORDER that on or before February 7, 2020, the plaintiff shall show cause in writing why this action should not be dismissed for lack of subject matter jurisdiction and shall set forth facts relevant to determining in which unofficial division this case should have been filed.

DATED this 8th day of January, 2020.

ANDREW P. GORDON
UNITED STATES DISTRICT JUDGE
